Writing	Music	Kids Chapel	Date with Dad
Handwriting	Physical Education		Princess & Superhero Dinner
Math	Science		Christmas Program
Scripture Memorization	Art		Holiday Parties

Our Kindergarten Curriculum is designed to meet or exceed any private school or public school requirements your child will need to enter 1st grade.

We know that all kids have different learning styles and we will address each learning style in the classroom.

Auditory learners (hearing/speaking)

Visual learners (seeing)

Tactile learners (hands on)

We also believe that teaching Bible stories and Scripture memorization are important for their development and understanding of God. We believe in teaching common courtesies and moral training daily.
